The "New" Oak Leaf Run

by Barb Kurti

Three weeks before the Oak Leaf Run Ride was scheduled to be held, I received a phone call that the ride was cancelled. Under doctor's orders, the manager could not manage the ride due to lung cancer. I had to act quickly to make my decision. Within a couple days I was a ride manager with no prior experience at a new ride location. I started making phone calls and sent out e-mails. Shelley Dake agreed to stay as ride secretary. My niece offered to be the photographer. Tim and Lisa Germann would help in the vet area. The vets confirmed that they will be there. How I was going to get ... how many awards?? A new ride flyer had to be made up and distributed to get the word out. I needed volunteers for the vet area, spotters, marking trails, supplies for the vet area and trails, food, etc. I just kept making a list along with more phone calls and e-mails.

I've been training on these trails so I knew them well. This is the first year of designated trails at the park and with record rainfall, trail usage was very limited. I had to keep changing my loops. Along with the rain it became mosquito breeding grounds. The week before the ride the deer flies hatched. I kept telling myself that these are distance riders-they will come. I had a few brave souls and their equine friends help me mark most of the trails two days before the ride in 90 degree heat with humidity (Sara Zwiwers, Stephanie Laird and Karen Steffens). Other riders chipped in on Friday to finish (Tali Sorenson, Joanne Coy and Pam Brown).

It was a sense of relief when riders started showing up. I had four new riders. Two completed the 15 mile novice ride, one attempted and one finished the 25LD. I was fortunate that my sister lives close by to run home to get a scale for Best Condition. Overall the ride went very well. Sunday afternoon as the last trailer was pulling out; there was lightning, thunder and hail. Stephanie Laird and Julie Roe had started unmarking the trail but I still had to finish it. It was a time to reflect that all my efforts and hard work paid off. I was able to give my fellow riders an opportunity to compete and have the Oak Leaf Run Ride continue on.

Thank you Kristine Dipple, Julie Roe and Kathy Macki for your extra efforts and to all those that

helped make the Oak Leaf Run Ride a success. A very special thank you to these sponsors for their generosity and support: Uckele, Zephyr's Garden, The Distance Depot, Long Riders Gear, Healthy As A Horse, Purina, Buckeye Feeds, Animal Tacker, Equilite (Sore No More), Horse Quencher, EJC Company (completion certificates), Allegan County Park and Hamilton Farm Bureau. Not Without Me

by John Soper

The morning sun peeks out of the dark as I heard his restless nicker,
He's hearing the horses stirring as ride time draws nearer,
He neighs his greetings, his excitement grows stronger,
not even his grain and water can hinder.
I worry not eating, he'd lose strength for competing.
But 25 milers have got to wait. For the 50s were at the gate.
So I lead him to a field, wet grass to be eaten,
That should slow his temptation to race and not to be beaten.

Then I slipped on the grass in a second he dashed, off with the 50s, he's fast and not last.
The Ride Vet mused as a matter of fact,
You won't see that Arab till the fifties come back.
Five minutes I stood and stared down the trail,
Stunned with what happened, who'd believe this tale,
When out of the woods at a gallop he came,
Straight at me as I called out his name.
We rode twenty five miles no slower than a trot,
That little bay Arab had not forgot, just so excited you see,
But not without me.
